European Immunization Week 2019
Vaccination: Social Responsibility or Mandatory Obligation?

Austria in an European Comparison: Expert experience reporting and panel discussion

Wednesday, 24th April 2019, 11.30 am – 6.30 pm
Van Swieten Saal, Medical University of Vienna
Van-Swieten-Gasse 1a, 1090 Vienna

www.oegvak.at
www.meduniwien.ac.at

Please register until 19th April 2019 under office@oegvak.at

This event will be approved by the Austrian Medical Chamber with 6 DFP-Points.

Please be aware that photographs and/or video footage will be taken at the event. These may be used for the purpose of documenting or reporting the event and published in print and online media, on various social media platforms and on MedUni Vienna’s website.
The WHO European Region marks European Immunization Week (EIW) to promote immunization as vital to preventing diseases and protecting life. This year, on 24–30 April 2019, the campaign aims to raise awareness of the benefits of vaccines and improve all efforts to sustain or increase immunization coverage. The Austrian Society of Vaccinology together with the Medical University of Vienna (MedUni Vienna) organizes an international symposium to discuss possible strategies to improve communication to conquer fake news and anti-vac campaigns, and raises the question if obligatory vaccination can or can’t help to improve vaccine coverage.

### Programme

**11.30 am – 12.00 pm**  
**Registration and Welcome**  
Markus Müller, Rector of the MedUni Vienna  
Ursula Wiedermann-Schmidt, MedUni Vienna, President ÖgVak, Austria
