JANUARY 2026

## ROADWORKS

Roadworks commenced this week and are expected to continue for approximately six weeks.

During this period, there will be a single lane closure on Furlong Road and Fairfield Avenue. Traffic will be managed using a stop go system to maintain safe access through the area.

Both local car parks in the surrounding area will continue to be available for use throughout the works.

We are also pleased to confirm that a pedestrian route in the wider area will be reopening during this time, helping to maintain access for those travelling on foot.

We would like to take this opportunity to sincerely thank you for your patience and understanding throughout the construction process.
