

## Online currency exchange. Safe way to buy currency before holidays?

A market of the online exchange currencies is growing fast in Poland. Instead of carry large amounts of money in cash, people prefer to make a money transfer in their own home.

[How to exchange money online and save money? \(Czworka / Efekt WOW \(pl. ‚WOW Effect’\) \[LINK TO AN AUDIO FILE IN PL\]](#)

” Every second family spends their holidays away from home. A large portion of them go abroad  
- said Piotr Kicinski, Cinkciarz.pl’s Vice-Chairman of the Board.

This is why the market of the online currency exchange companies becomes a more important part of the domestic economy every year.

In order to exchange currency online, one needs two banking accounts: a PLN one and the other, held in the currency they wish to buy. In the process of currency exchange we can save as much as 8-10 percent of the transaction’s value.

Experts visiting the Polish Radio Czworka during the ‚Efekt: WOW’ show also elaborated on the topic of the online currency exchange’s safety, what exactly allows to save the largest amounts and what to pay attention to when using services of the online currency exchange company for the first time.
