

# Emerging Managers

#ENGAGEYOURTEAM

## overview

Starting a new role managing a team can be challenging. 60% of new managers underperform in their first two years. Good management doesn't just happen. Managers don't inherently know how to handle delicate personnel issues or even how to effectively motivate employees.

Emerging Managers is a 1 day training of day to day management skills for new rising managers.

## is this course for me?

If you are in a leadership role but have never been trained or have just been promoted to a more senior role – this course is for you.

- ✓ Build stronger teams
- ✓ Provide effective feedback
