

## Knit Movement Gains Momentum

Nothing says holidays more than a scarf knit by grandma, but recently the classic hobby has been gaining popularity amongst a younger set. I blogged about [some unusual designer knit items](#) a few weeks ago and since then I've seen a plethora of products that make the technique easier than ever to master. Check out [Wool & the Gang's knit kits](#), complete with instructions aimed at beginners, [glow in the dark knitting needles](#) and even [pretty pottery bowls](#) for keeping yarn under control. Now you have no excuse to not get involved!
