Chunky Knits

by JENNINE on FEBRUARY 1, 2011

As much as I hate to apologize for not posting as much.. I apologize, things have been nothing less than hectic with the planning of the Evolving Influence Conference. Which sold out over the weekend! Horray! Now it's getting everything together, and most days I have puffy eyes, my hair is a mess and I'm lucky if my clothes match. So much for grace under pressure.
