## Wool and the Gang: DIY Headbands

We've just discovered **Wool and the Gang**, and the timing couldn't be more perfect with the cold fall air settling in and the holidays coming up! Wool and the Gang is a ready-to-wear and ready-to-knit fashion brand that designs knitwear including everything from sweaters and dresses to hats, scarves, headbands and socks. You may be asking yourself, "What does ready-to-knit mean?" Well, Wool and the Gang sells a DIY kit in which you can knit your own accessory or piece of clothing. The kit includes everything you need, and their website is full of helpful tips and tricks to help you get started. The DIY kit is a fun and unique gift idea, and we love the Trophy Headbands in burgundy and blue. You can even combine the two to create a multi-colored headband. Visit Wool and the Gang's [website](#) to see their full collection of knitwear and knit kits.
