

Wool And The Gang: It's Time to Knit Together

Edited by [Jessica Lapidos](#) on November 2 2011 at 6:16 PM

Oh yes it's ladies' **Knit Night** with **Wool and the Gang** tomorrow (11/3) down in SoHo. And they're going on the philosophy of, *sell a gal a sweater, she'll be warm for a day. Teach her how to knit, she'll be warm for life.* With our proverbs, puns and knitting needles in tow, the fine gang of wool will be teaching you how to knit. Bring your own yarn'n'needles or buy a starter kit on the spot. In addition to 10% off storewide (all handmade by artisans in Peru), you'll get the lesson of a lifetime. And maybe learn to make something as *kool* as this:

They sell kits and instructions online, if you can't make it tomorrow. You can learn to make this and so much more!

Get down, get down to the boutique at **98 Thompson St**, tomorrow 11/3.

RSVP to Keven@woolandthegang.com to reserve your spot.

Sweater-make, good times, come on!
