

CAMRA NI's advice for getting back to the pub

As pubs reopen, we're all looking forward to getting back to our locals, having a pint and enjoying the social aspects of pub going. Things are going to look and feel a little different. That's why we've put together our advice on what to expect, and how you can get back to the pub responsibly and safely.

Where can I go to the pub?

- Pubs with inside space will be open for meals only
- Pubs with outdoor space will be open for drinks served at the table

What you should expect:

- In most cases, to order and be served at your table, often using contactless ordering apps
- To see signs telling you where to go and how to use the pub safely
- For restrictions to be in place on the number of people in a pub and using outside space.
- For the moment, there will be no sport on TVs and no live entertainment
- If the weather takes a turn for the worse, you might not be allowed to shelter inside.

You can help by:

- Listening to the staff and following instructions on signs
- Waiting patiently in queues
- Washing your hands or using hand sanitising stations - especially when you arrive and leave, or use the toilets
- Ordering remotely where you can – whether through an app or website
- Staying in your allocated seating area as much as possible
- Using contactless payments where possible

A few do's and don'ts:

- Do go back to the pub where you can – pubs need our custom to help them through this difficult time
- Do plan ahead and book in advance where possible
- Don't take your empties back to the bar – for the moment, this isn't helpful for staff
- Don't come to the pub if you, or someone in your household or support bubble has symptoms of COVID-19 – stay at home and follow NHS advice
