## TRIMS AVAILABLE

### Additional Info:

Spirit is a mono calibrated rectified glazed porcelain tile that receives its design inspiration from the blending of stone and marble with both petrified and rustic wood, to achieve a harmony and balance of natural elements. The series is available in 3 formats, mosaics, surface bullnose, and cove base. Spirit is suitable for any interior residential or commercial floor, and for any interior or exterior wall or counter installation. The maximum recommended off set is no greater than 33%. The state of the art ink jet technology randomly selects various sections from the 65 square foot graphic design, allowing for very few images to ever repeat.
