Touchè Series ***Jade - Rubis - Zèbre***

Additional Information Touchè is inspired by the Natural Calacatta Violeta Marble and brings elegance, sophistication, and a romantic luxury to any space. Touchè is an Italian rectified porcelain collection inspired by three refined statement colors, and produced with 3D Shaped Technology that allows the tile to offer an enhanced experience, both in sight and feel. The series is offered in 24x48, 24x48 Plisse (3D), and 2/3" x 6" stack mosaic. There are 16 design faces in both the 24x48 field and Plisse 3D offerings.

Touchè also exceeds the ADA recommendation for slip resistance, with a DCOF rating > 0.42.

"The 3D Shaped Technology is a tech innovation that is in the middle of the productive process to obtain the best realism on porcelain products. Now graphichs and structures match perfectly.
This new process combine the graphic of the surface with its volume and real shape."
