PIETRASANTA

Marble Look | | Glazed Ceramic

Qualis Ceramica Pietrasanta is a decadent combination of refined marble looks, modern textures, and elongated profiles. The classic design of premium matte marble surfaces has been reinvented in this sophisticated and dynamic collection inspired by the elegance of natural stone and a refined selection of three-dimensional surfaces. Light and shadows, veining, and color meld together into a new, rich series designed to add character and interest to interior

designs. This collection offers exclusive matte rectified, patterned designs combined with three three-dimensional designs in irregular bamboo channels, woven contours, and artisanal surfaces.
