Mono-color

Inspired by Tradition, Designed for Today The Qualis Ceramica Morocco Collection draws its soul from the artistry of Moroccan Zellige tilework—an ancient tradition known for its handcrafted character, rich texture, and expressive charm. This porcelain interpretation captures the essence of that handmade look, offering a glossy, slightly undulated surface that reflects light beautifully and brings depth to any space. Why Choose the Morocco Collection? • Handcrafted Aesthetic With its irregular edges and gentle surface variation, Morocco evokes the artisanal feel of

traditional glazed clay tiles, while delivering the precision and durability of modern porcelain. • Glossy, Light-Reflective Finish Each tile features a high-shine surface that enhances its tone variation and texture, perfect for creating visual interest on walls, backsplashes, and feature spaces. • Vintage Character with a Modern Twist The color palette reflects classic Mediterranean tones—earthy neutrals, deep blues, and soft greens—reimagined for today's interiors. • Low Maintenance, High Durability While Morocco mirrors the look of hand-molded Zellige tiles, it's crafted in FROST PROOF porcelain, offering water resistance, stain protection, and easy cleaning for busy environments. • Versatile Formats Available in 3x11" and 5x5" sizes, Morocco tiles are ideal for vertical, horizontal, or herringbone patterns on floors or walls indoors and outdoors. They give you creative freedom to design anything from a bold backsplash to a serene spa-style shower wall. The Qualis Ceramica Morocco Collection celebrates imperfection most beautifully. It brings warmth, soul, and a touch of the exotic to interiors that value authenticity and style. Whether you're designing a cozy kitchen nook or a statement wall, Morocco invites light, texture, and timeless elegance into your space.
