

North Hills Flooring

SERIES LUSTRE

| Porcelain | Wood Look

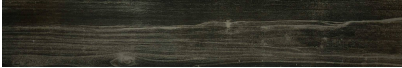

For centuries, clear protective finishes have been used to compliment woodworking projects by accentuating the character of the wood's natural structures. Hand-finished natural wood flooring adorned with this finish makes a statement of elegance and subtle sophistication in any project. Rich, dramatic tones and the artful recreation of the knots, grains and texture of finished natural wood flooring are presented in six color options ranging from Bright White to Radiant Cherry and Deep Black shades. This refined look is suitable for any project where the look of hardwood is desired, but easy maintenance is required.
