Go Beyond Rugged

Waterproof, Dustproof and Drop-proof

The S96 Pro is a truly rugged phone. Its tough credentials include MIL SPEC 810G and IP68 & IP69K water and dust resistant certified, scratch-resistant screen with Corning® Gorilla® Glass and drop proof tested onto concrete from up to 1.8 metres. It is tough enough to withstand dust, dirt and sudden drop, and are resistant to submersion up to a maximum depth of 1.5m underwater for up to 30 minutes. 50% metal back cover, including camera, more robust.

IP68 / IP69k

Dustproof

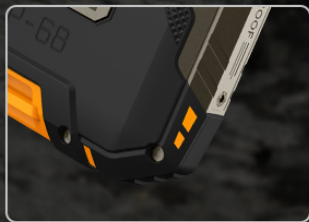

Shockproof

Military Grade Craftsmanship

Offering Superb Durability

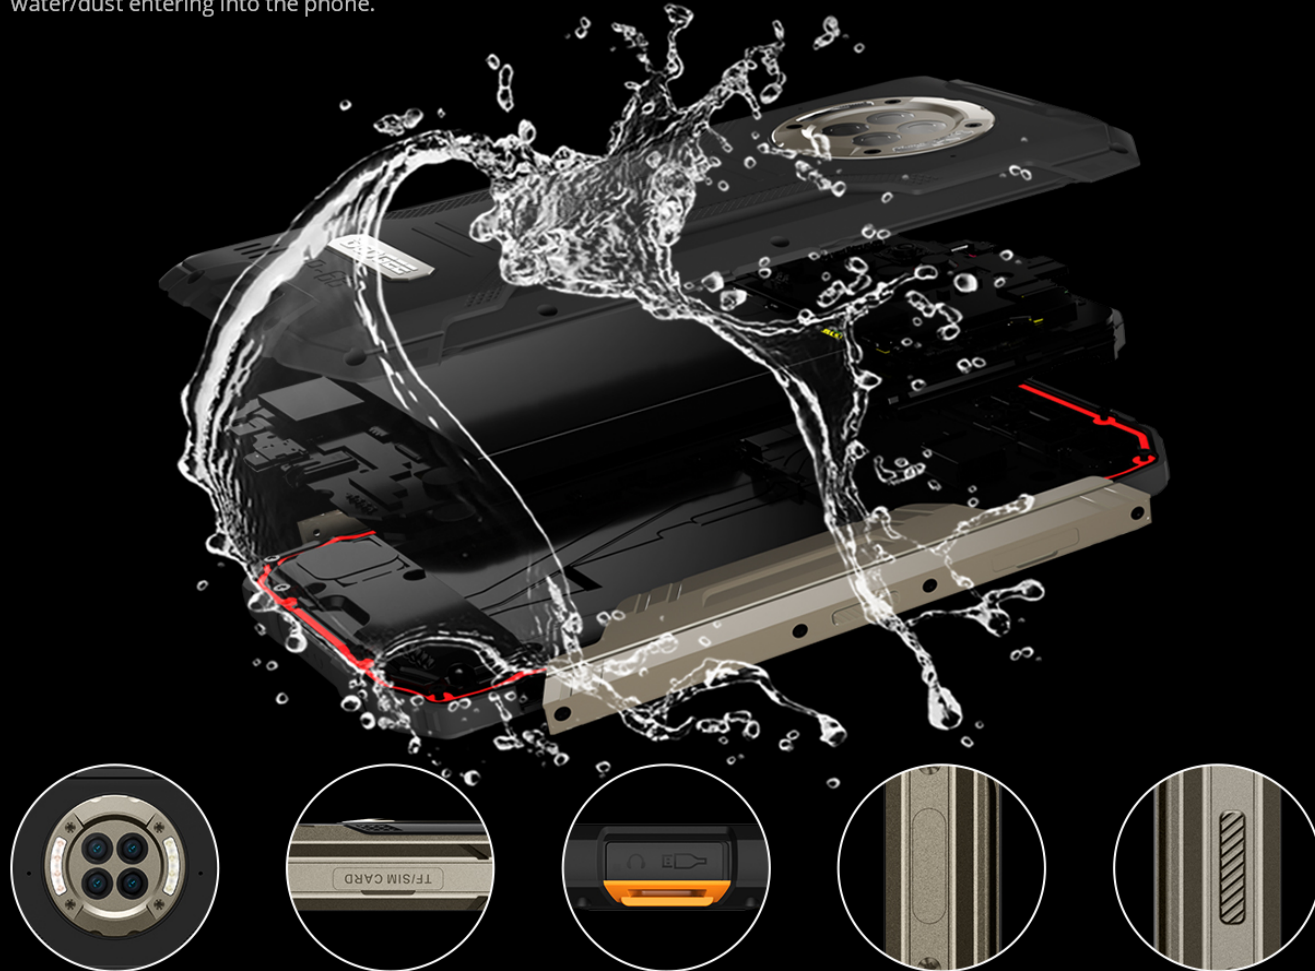

Built by soft TPU and aluminium alloy reinforced polycarbonate material, DOOGEE S96 Pro totally can protect itself from violent crash, rolling and torsion. Besides, the four reinforced corners and the heightened frames around the screen prevent dropping challenging environments, either on construction sites, farms or extreme outdoor environments. S96 PRO has an all-round protection providing unrivalled 360° durability and ruggedness.

Waterproof Structure & Components

Provides Effective Insulation from Water/Dust

The advanced sealing technology and solid structure make the DOOGEE S96 Pro more than simply a splash-proof function. Components that are exposed to the outside also have a high density macro-molecule coating for waterproofness. We also design special waterproof stoppers for Type-C, earphone jack, and SIM card slot, effectively prevent water/dust entering into the phone.

Discover the Aquatic Beauty

With the waterproof structural Components and our easy to use software camera mode for underwater, you can take your DOOGEE S96 Pro into water up to 5 meters deep for shooting the colourful aqua life or getting dramatic portraits.

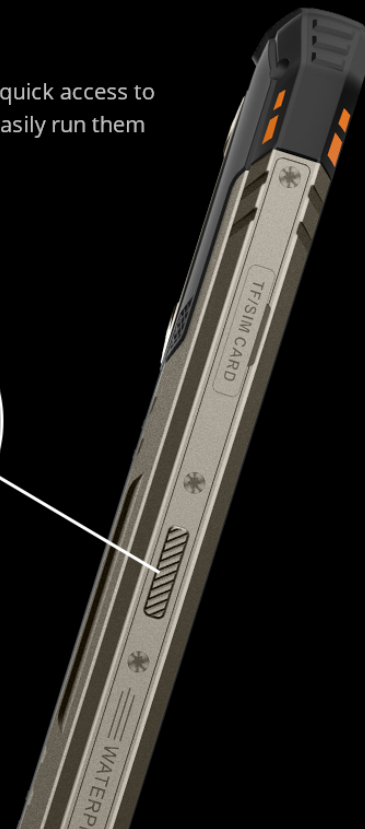

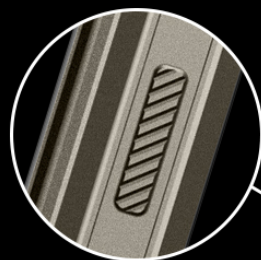

Convenient Custom Key

Quick Access to Different Functions

The custom key on the left side of DOOGEE S96 Pro can be optionally set as quick access to recording, flashlight, screenshot, SOS or your regularly used apps, you can easily run them with a single press.

-  Screenshots
-  Recording
-  Flashlight
- SOS** Emergency call "SOS"
